Vegan Gouda Flavour

Gusto Dairy **Gouda vegan cheese** is the ideal suggestion for those who do not want to eat milk products. It is 100% a dairy-free and cholesterol free cheese and can be used all day long from people from all ages. Vegan cheese can also be an excellent choice for those facing problems with lactose intolerance or a true milk protein allergy. It can be consumed as a daily cheese, sliced in toasts and sandwiches as well as pizzas.

Vegan Mozzarella Flavour

Gusto Dairy **Mozzarella vegan cheese** is the ideal suggestion for those who do not want to eat milk products. It is 100% a dairy-free and cholesterol free cheese with subtle flavor and rubbery taste and can be used all day long from people from all ages. It has a milder flavor and can be consumed sliced in toasts and sandwiches and of course pizzas. Vegan cheese can also be an excellent choice for those facing problems with lactose intolerance or a true milk protein allergy.

Vegan Cheddar Flavour

Rich, balanced and smooth, Gusto Dairy **Cheddar vegan cheese** is the ideal suggestion for those who do not want to eat milk products. Vegan Cheddar replicates the traditional cheddar cheese as being a 100% dairy-free and cholesterol free cheese and can be used all day long from people from all ages. Vegan cheese can also be an excellent choice for those facing problems with lactose intolerance or a true milk protein allergy. It can be used in any dish, in various pasta selections as well as sliced in toasts and pizzas.

Vegan Smoked Gouda Flavour

Gusto Dairy **Smoked Gouda vegan cheese** is the ideal suggestion for those who do not want to eat milk products. Sensational with beer, smoked vegan cheese has an edible, brown color and a creamy, yellow interior. It can also perfectly complement tasty snacks, fruits, nuts and dark chocolate. It forms a good combination of sandwiches and burgers. It is 100% a dairy-free and cholesterol free cheese and can be used all day long from people from all ages.
